

**DUNBOGAN  
MERINO STUD**

EST. 1990

# ON PROPERTY RAM SALE

Tuesday 2<sup>nd</sup> October 2018

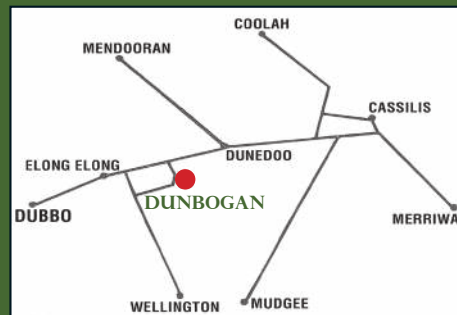

**NEW GENETICS** by rams purchased in 2016;

*including:*

**Glendonald Merino Stud, VIC**

**Roseville Park Merino Stud, NSW**

**Langdene Merino Stud, NSW**

## ***Commercial results speak for themselves***

### **2018 Dubbo Show**

Champion Merino Wether Hoof & Hook (2nd consecutive year)

### **2018 Walgett Wether Trial**

Won by long term client G&L Caton, "Yarrowonga"

(average fleece value \$125/head, combined average \$203.66/head)

Rams offered at our on property ram sale are bred for use in our own commercial merino enterprise (which is run along side the merino stud). In our commercial enterprise, we aim for:

- Ewes to cut 6.5kg of 18 micron wool (\$110/head)
- 130% weaned lambs
- Minimum 27kg carcass from progeny at less than 12 months of age
- Option of 6 month Shearing (selected on staple length)
