## PRESIDENTS WELCOME

My name is Jonathan Merriman from Little Range, Boorowa. As the newly elected President I would like to welcome everyone to the 2021 South West Slopes Stud Merino Breeders Field Day. We as a committee are very happy to get the go ahead for this year's field day after cancellation of the event in 2020 due to Covid 19 restrictions. In light of the ongoing situation, to gain entry to the SWSSMB Field Day on Tuesday August 31st 2021 we will require everyone to use the QR check in code in the booklet or scan in on posters that are placed around the ground. We appreciate your cooperation with this to ensure the health and safety of all and that our Covid regulations are met.

This event, held at the Harden Showgrounds is one of the largest gatherings of Merino Studs in Australia. Once again, a total of 58 NSW based merino studs will be on display. In order to display at the field day all merino studs are required to be members of the NSW Stud Merino Breeders Association. This new rule applies from 2021 onwards.

Many thanks to our sponsors that help make this day possible - the Major Sponsor being NUTRIEN AG SOLUTIONS. Nutrien Ag Solutions have been the major sponsor of the field day for the past 3 years and have just informed us of their intention to keep the major sponsor role for the next 3 years. We as the committee thank NUTRIEN AG SOLUTIONS for this wonderful ongoing commitment to the South West Slopes Stud Merino Breeders Field Day.

A big thank you to our Secretary Kylie Coddington for all of her hard work! Especially in organising the masses of paperwork for this field day. It is an important role and your efficiency is highly valued. To the SWSSMB members committee thank you for the work you put in throughout the year. These members contribute their valuable time and expertise to our meetings and without them his field day would not go ahead - so thank you all from your new President Jonathan Merriman.

The South West Slopes Stud Breeders Merino Field Day is a great opportunity for producers and interested parties to view the different genetics that are available to suit their enterprises with 58 merino studs in one location and side by side in their displays. Also on display will be agricultural equipment and some industry representatives along with our impressive fashion parade which includes the AWI runway collection and other progressive and innovative wool fashion labels.

The SWSSMB Field Day is always a great day, we look forward to seeing you there.

Regards

Jonathan Merriman

SWSSMB President

## JUDGES

### Rodney Kent - Competition Judge

Rodney Kent and his family live on their property "Kurrajong" in northern NSW about an hour and half from the Queensland border. Kurrajong comprises of approximately 6000 acres and is a mixed farming enterprise with cropping and merino sheep. Kurrajong country is all black basalt with around a 28inch rain fall per year.

Rodney's grandfather moved to the area over 116 years ago and the Kent family have owned Kurrajong for the past 100 years and have always ran merino sheep. Kurrajong Park Merino Stud has been registered for around 85 years and currently run 2500 Stud and commercial ewes.

Rodney has had the pleasure of judging at numerous shows including Dubbo, Sydney, Queensland State Sheep Show, Bendigo and Western Australia.

### Ross McGauchie - Return Judge

Ross and wife Robyn manage Terrick West along with family. Terrick West is situated 65kms North of Bendigo in Northern Victoria and consists of 10,000 acres, 1,500 of which are irrigated; running stud and commercial merino sheep, cereal and irrigated cropping.

The Terrick West stud, one of Victoria's leading Poll Merino Studs, sells around 200 rams annually with a vast increase in semen sales in recent years.

A life member of the Victorian Stud Merino Breeders and ASBA Committees Ross regularly shows and sells rams around Australia's major sales as well as a very successful on property sale in August each year.

Ross has had a major interest in the development and growth of the sheep and wool show in Bendigo serving on the committee and as President for 5 of the past 9 years. He is a strong believer in the importance of sheep shows and has been fortunate to have judged at many of Australia's major shows. He has judged at the major shows in all states of Australia and New Zealand.

### Campbell Rubie - Associate Judge

Campbell Rubie is currently studying year 11 at Red Bend Catholic College, Forbes, and has grown up on the family farm and merino stud, Lachlan Merinos, Forbes. He has participated in junior judging for a couple of years and seeing the enthusiasm for Merino sheep of his father, Glen and older brother Mitch, encouraged him to also take part in the Merino Sheep Young Judges Competition.

In April this year, Campbell, representing Group 10, placed 1st in the Royal Agricultural Society RAS of NSW/ASC Merino Sheep Young Judges competition during the 2021 Royal Sydney Show, winning the Hugh Lydiard Memorial Trophy. Campbell will go on to compete in the National finals for Merinos Sheep at the Ekka in Brisbane, later this year.

Once Campbell has finished school in 2022, he is interested in jackarooing and completing a trade, before returning home to the farm to be part of the Lachlan merino stud, and mixed farming enterprise. Campbell's other interests include fishing and rugby league.
