Advocacy is just the beginning at NSW Farmers

NSW Farmers is Australia's largest farm advocacy group, focused on advancing the interests of our farmer members. We champion the rights of farmers and rural communities at all levels of government and with industry stakeholders. We are apolitical, independent from government, and our policy is driven from the grassroots up. Our members span the full spectrum of agriculture.

Becoming a member allows you to:

- Help shape the future of farming
- Access experts to help you understand complex legislation and its impact on your business
- Access our Workplace Relations team for support and resources
- Receive industry news and updates, and our award-winning publication 'The Farmer' magazine
- Join an inspiring network committed to the future success of agriculture
- Receive invitations to great events, meetings and webinars
- Receive a wide range of exclusive member benefits and discounts from our partners

To become a member, call Catriona McAuliffe
0488 100 005 or email mcauliffec@nswfarmers.org.au.

Presidents Welcome

Page 9

I would like to welcome everyone to the 2022 South West Slopes Stud Merino Breeders Field Day. This event, held at the Harden Showground has become one of the largest gatherings of merino studs in Australia, with approx. 60 studs displaying sheep, all in one place on the same day and all under cover! With free entry and onsite parking, every visitor on the day will receive a free copy of our full colour SWSSMB Booklet and pen.

It's been three years since our event has taken place due to the world wide Covid19 pandemic, so we as a committee are very happy to see things getting back to a normal format and to see the Field Day go ahead without any interruptions or restrictions from the government.

We would like to thank those studs and sponsors that went along with the committee's decision last year to continue preparations and committed their time and funds so that SWSSMB committee was able to try and get set up and keep working for the day to go ahead. They stayed committed right till the final moment the government locked down the entire state. Their unwavering support under those conditions was exceptional.

To our major sponsor Nutrien and to all our other sponsors and supporters new and existing, thank you for your continued support of this great event and backing of the Merino sheep industry. 2022 is sure to be bigger and better than ever!

The field day is a great opportunity for producers and interested parties to view the different genetics available to suit their merino sheep enterprise. Mingle and network with like-minded breeders and get the latest information from industry specialists.

Also on display will be agricultural equipment and industry representatives along with our impressive fashion parade which includes the AWI Runway Collection and other progressive and innovative woollen fashion labels.

Margaret House Women's Refuge provides catering for our event and we encourage you to support them by purchasing one of their many tasty items available all day. Margaret House has supported us since 2011 and this year will be their 10th Field Day. We would like to extend our thanks and gratitude to this wonderful charity for all their hard work not only at our Field Day but in our community every day.

A big thankyou to our secretary Kylie Coddington for her hard work and commitment to get this day to run smoothly, and to all the South West Slopes Merino Breeders committee members.

The Southwest Slopes Merino Field Day is a great day and not to be missed by anyone in the merino industry. We look forward to seeing you there!

Regards
Jonathan Merriman
SWSSMB President

Rodney Kent - Competition Judge

Rodney Kent and his family live on their property "Kurrajong" in northern NSW about an hour and half from the Queensland border. Kurrajong comprises of approximately 6000 acres and is a mixed farming enterprise with cropping and merino sheep. Kurrajong country is all black basalt with around a 28 inch rain fall per year.

Rodney's grandfather moved to the area over 116 years ago and the Kent family have owned Kurrajong for the past 100 years and have always ran merino sheep. Kurrajong Park Merino Stud has been registered for around 85 years and currently run 2500 Stud and commercial ewes.

Rodney has had the pleasure of judging at numerous shows including Dubbo, Sydney, Queensland State Sheep Show, Bendigo and Western Australia.

Ross McGauchie - Return Judge

Ross and wife Robyn manage Terrick West along with family. Terrick West is situated 65kms North of Bendigo in Northern Victoria and consists of 10,000 acres, 1,500 of which are irrigated; running stud and commercial merino sheep, cereal and irrigated cropping.

The Terrick West stud, one of Victoria's leading Poll Merino Studs, sells around 200 rams annually with a vast increase in semen sales in recent years. A life member of the Victorian Stud Merino Breeders and ASBA Committees Ross regularly shows and sells rams around Australia's major sales as well as a very successful on property sale in August each year.

Ross has had a major interest in the development and growth of the sheep and wool show in Bendigo serving on the committee and as President for 5 of the past 9 years. He is a strong believer in the importance of sheep shows and has been fortunate to have judged at many of Australia's major shows. He has judged at the major shows in all states of Australia and New Zealand.

Patrick Davis Jnr - Associate Judge

Patrick Davis is currently studying year 12 at St Gregory's College, Campbelltown. He has grown up in Harden helping on the family farm and merino stud, Demondrille Merinos, Harden.

In April this year, after progressing from the GSSM held in Canberra. Patrick competed in the state final of the RAS/ASC Merino sheep young judges competition. Patrick won the state final and then went on to win the championship in the National ASA National Merino sheep young judges for 2022.

After Patrick finishes school he is interested in attending university to study agriculture. His other interests are camping, fishing and rugby.

Meet Jane and Cindy.

They're good people to know for insurance.

2022 SWS Stud Merino Breeders Ram Of The Year

2022 SWSSMB Pen of Three Merino Hogget Rams - Wendouree Perpetual Shield

2022 Bill Carter Memorial Trophy for Spectators Choice

Sponsored by Schute Bell Badgery Lumby

Wendouree Perpetual Shield

The Wendouree Shield, donated by Gwen & Jack Whitechurch, and sponsored by CJ Anderson will be awarded to the member Stud breeding and displaying the supreme pen of three merino hogget rams, showing no more than two permanent teeth.

They will be appraised as a pen showing evenness of quality & conformation to be March tagged shorn. These rams will be typical of the sheep bred in the South West Slopes region.

The Annual Spectators Choice Bill Carter Memorial Trophy

This trophy is dedicated to the remembrance of Bill Carter. He was well known and respected among the community and previously worked for Schute Bell Badgery Lumby who are proudly sponsoring this event.

All SWS Stud Merino Breeder exhibitors are judged and nominated by the visitors to the SWSSMB Field Day.

So we ask you to consider each Merino Breeder carefully and make your nomination using the enclosed Form.

**2019 Winner of the "Spectators Choice Award" for the

MARGARET HOUSE was purchased from money donated by Margaret Brown as a refuge for safe and secure accommodation for women and children escaping from domestic violence.

The committee raise money to maintain the house and continue to upgrade it. We also assist the Young Crisis Accommodation with funds to support their multi-purpose service centre offering tailored support plans for homelessness, including young people, women, men, individuals and families.

Catering for the South West Merino Field Day is our major fundraiser each year.

Local Land Services

Emergency animal disease information sessions

Foot-and-mouth disease and lumpy skin disease

In response to the current risk of foot-and-mouth disease and lumpy skin disease, Local Land Services staff are working with landholders to raise awareness, prevention and surveillance of emergency animal diseases.

We will be holding a series of information sessions for landholders to:

- learn more about the current status of foot-and-mouth disease and lumpy skin disease
- find out how to identify these diseases and know what to do if they suspect cases
- find out what they can do on their farm
- hear what we are doing to prevent emergency animal diseases
- hear about the work of Local Land Services in feral animal control.
