FOR THIS SEASON AND THE NEXT

Welcome to the 2025 South West Slopes Stud Merino Breeders Field Day!

This year's event, held at the Harden Showground, will showcase over 600 Merino sheep from 62 of NSW's top registered Merino Studs - one of the largest gatherings of registered Merino studs in Australia, all in a single location, on the same day, and entirely under cover!

With free entry and onsite parking, every visitor will receive a full-colour SWSSMB Booklet and a complimentary pen upon arrival.

Looking Back at 2024

Last year's Field Day was a tremendous success, attracting a strong turnout of passionate Merino breeders eager to inspect the top-quality displays presented by every stud. The SWSSMB Fashion Parade was a standout, highlighting the growing presence of commercial agricultural exhibitors and Merino wool products - making 2024 one of our biggest years yet for industry engagement.

An Unmatched Opportunity

The Field Day remains a prime opportunity for producers and industry professionals to explore elite genetics suited to their Merino enterprises and farming environments. It's also an invaluable chance to network, exchange knowledge, and gain insights from industry specialists - all in one place, on one day.

As Chairman of SWSSMB, it is incredibly rewarding to witness the enthusiasm for this event and the Merino industry. Each year, we welcome visitors from across NSW and interstate, demonstrating the significance of this one-day showcase and its impact on Merino businesses. The return of 59 out of 60 exhibiting studs underscores the event's ongoing importance to the industry.

Acknowledging Our Supporters

We are proud to welcome back Nutrien Livestock as our Diamond Sponsor, alongside Rabobank as our Platinum Sponsor - both long-term supporters of this event. Their sponsorship plays a vital role in the Field Day's success, and we sincerely thank them. To all our sponsors, your continued contributions help ensure this event remains a cornerstone of the Merino industry.

A huge thank you to our Member Studs and working committee members, whose dedication brings this event together year after year. Your hard work is deeply appreciated.

We also extend our gratitude to the Harden Showground Trust for hosting us at this fantastic venue, allowing the Merino industry to showcase its excellence.

Join Us for an Unmissable Event

With 62 studs on display, alongside a diverse array of industry exhibitors, the South West Slopes Stud Merino Breeders Field Day is a must-attend event for anyone passionate about Merinos.

We look forward to seeing you there!

Regards, Jono Merriman

Hamish McLaren - Return Judge

Hamish McLaren is a partner and co-principal of Nerstane Merino stud. The family runs the merino stud and a commercial sheep and cattle operation over two properties at Walcha, in the North East of NSW.

Hamish initially worked for two wool exporting companies and travelled extensively throughout Australia in this job during the late eighties and early nineties before returning to the family business.

Hamish is passionate about all things Merino including Objective Measurement, the Show Ring, Central Test Sire Evaluations, Ewe competitions and Wether Trials. He has had the privilege of judging all over Australia, Uruguay and New Zealand.

Hamish is the current NSW Stud Merino Breeders president.

Will Roberts - Competition Judge

Will and his wife Narda operate Victoria Downs with their daughters Catherine and Candice. The family have been on Victoria Downs since 1906 and Will's great grandfather started the merino stud in 1911.

Victoria Downs is located approximately 600kms west of Brisbane, Queensland and is 32000 acres, half open downs the other half lightly timbered. They run about 5500 merinos and 600 cows.

Will is the current president of the World Federation of Merino Breeders and a life member of the Queensland Merino Stud Sheep Breeders Association. He is involved in the running of the Queensland State Sheep Show each year.

Will has been fortunate to have had the opportunity to judge at shows around Australia and thoroughly enjoys imparting information to young people interested in the merino industry.

Luke Meredith - Associate Judge

Luke Meredith, based out of Nevertire is currently working for the Egelabra Merino Stud as Senior Jackaroo.

Luke won the 2025 NSW Merino Judging State Championships at the Sydney Royal and will continue to compete at the National Championships held in Adelaide during September this year.

Luke has a great passion for the merino industry and agriculture studying a Bachelor of Agriculture online at Charles Sturt University in Wagga Wagga.

Luke will continue to pursue a career in the agricultural and merino industries for years to come.

The Margaret House Refuge is a community-run, charitable organisation.

We provide emergency and temporary accommodation properties for members of the South West Slopes community who find themselves homeless due to crisis, mental illness and/or domestic violence.

Fundraising is essential for us to maintain our existing properties, and to also expand our accommodation availability. Our properties are being used at full capacity, and sadly, the number of people seeking shelter in our region is growing each year. Our 'Building Hope' project is an ambitious undertaking in which we aim to significantly redevelop a property in our region to provide more crisis accommodation.

Catering for the South West Merino Field Day is one of our major fundraisers each year. We are so grateful to our community for the support we receive.

So we hope to see you at the canteen - every dollar you spend will have a direct impact on those seeking shelter in our community.

Community helping community.

TRI-SOLFEN®

Let's talk about pain relief.

GOLD STANDARD

PAIN RELIEF

Tri-Solfen® is the first step in delivering best practice pain relief for lambs following mulesing, surgical docking or castration. This easy-to-apply, spray-on gel provides immediate and lasting relief against acute pain for up to 24 hours, reduces bleeding; protects against infection; and facilitates wound healing. Tri-Solfen is ideal for use in combination with non-steroidal anti-inflammatory drugs (e.g. meloxicam) to provide comprehensive, longer-lasting relief from both acute and chronic pain.¹ **Contact Dechra, your rural reseller or veterinarian and find out how providing pain relief using Tri-Solfen is a better choice for your livestock, your business and your industry.**

AVAILABLE OVER THE COUNTER!

Controlling lice off-shears when the lice population is at its lowest is not just good management, it's good sense. Extinosad Pour-On provides rapid knockdown control² of lice on off-shears sheep with minimal impact on your management or marketing options.³ Viper Pour-On contains second-generation neonicotinoid chemistry that is **up to 2X more powerful than imidacloprid** when applied^{4,5,6} and protects against re-infestation for four weeks when applied within 24 hours of shearing.³ **Even better, Extinosad Pour-On and Viper Pour-On are both backed by Elanco's exclusive six-months, off-shears lice-free guarantee!¹** Don't risk having to control lice on sheep with long wool – get a guaranteed result with trusted off-shears lice control solutions from Elanco.
